Principal

July 7, 2010

I am pleased to inform you that, at its meeting of June 23, 2010, the Board of Education appointed the B.A.S.C. Network to operate our before and after school care program. B.A.S.C. has been operating such programs for approximately 14 years. They currently operate in 16 schools in six different school districts. I have significant personal experience with the organization and have been impressed with their professionalism and the quality of their programs.

B.A.S.C. has agreed to continue the fee structure which has been in place, with no increase. They will also continue to provide holiday care.

More specific information, including signup procedures, will be sent shortly. In the meantime, interested parents may learn more by visiting the B.A.S.C. website at www.thebascnetwork.com

Thank you.
