

STANHOPE HOME & SCHOOL ASSOCIATION  
MIDDLE SCHOOL COMMITTEE

Dear Middle School Parents:

The Stanhope Home and School Association (HSA) is a volunteer group committed to serving the needs of our children and community at Valley Road School. The Middle School Committee is a subset of the HSA, and was created to conduct fundraising activities to specifically offset the cost of class trips for our sixth, seventh and eighth grade students. Our primary fundraisers include dances for the K-5 grades, flocking, field day t-shirts and the basketball snack stand. These events require a lot of effort to conduct, but ultimately all middle school families benefit from these efforts as the monies are applied towards reducing trip costs for everyone.

Additionally, in efforts to differentiate the middle school environment from the elementary school environment, the Administration has eliminated holiday class parties at the middle school level. As a result, we no longer have a need for homeroom parents at this level, as coordination of these parties was their primary role. The year-end BBQ celebration and eighth grade clap out has replaced the class parties and is managed by the Middle School Committee.

There are two ways to get involved:

1. Become a member of the committee, which includes planning and organizing our events, OR
2. Become a committee helper, which includes providing supplies or working the events when requested

Joining the Middle School Committee in either capacity is a great opportunity to get involved and help.

If you would like to be a part of this committee, please fill out the bottom half of this form and submit it by Monday September 16, 2019 in an envelope marked to the attention of the HSA - Middle School Committee.

This committee is an integral part of ensuring trips at the middle school level continue at Valley Road and we appreciate your help in making it a success. If you have any questions, please contact us at the email listed below or email us [hsa@stanhopeschools.org](mailto:hsa@stanhopeschools.org)
