Acceptable Forms of Identification

The following forms of documentation may demonstrate a student's eligibility for enrollment in the district. At least two of these forms must be presented before registration eligibility can be determined.

- Property tax bills, deeds contracts of sale, leases, mortgages, signed letters from landlords and other evidence of property ownership, tenancy or residency
- Voter registrations, licenses, permits, financial account information, utility bills, delivery receipts, and other evidence of personal attachment to a particular location
- Court orders, State agency agreements and other evidence of court or agency placements or directives
- Receipts, bills, cancelled checks and other evidence of expenditures demonstrating personal attachment to a particular location, or, where applicable, to support of the student
- Medical reports, counselor or social worker assessments, employment documents, benefit statements, and other evidence of circumstances demonstrating, where applicable, family or economic hardship, or temporary residency
- Affidavits, certifications and sworn attestations pertaining to statutory criteria for school attendance, from the parent, legal guardian, person keeping an affidavit student, adult student, person(s) with whom a family is living, or others as appropriate
- Documents pertaining to military status and assignment
- Any business record or document issued by a governmental entity; or
- Any other form of documentation relevant to demonstrating entitlement to attend school

The totality of information and documentation received will be considered in evaluating an application, and, unless expressly required by law, the student will not be denied enrollment based on the lack of any specific form (an exception to this rule would be the Court Order or Affidavit Pupil situation).
