The identification methodology will be developmentally appropriate, non-discriminatory and related to the programs and services offered by the district. These procedures will be reviewed annually.

The educational program offered to gifted and talented pupils will encourage and challenge them in the specific areas of their abilities, but will not replace the basic instructional program of the various grades of this district. The program offered to a gifted and talented pupil may be infused into the pupil's regular instructional program, provided that a written description of the infusion has been prepared and filed in the pupil's record.

Programs for the gifted and talented will be periodically evaluated for their continuing efficacy and adjusted accordingly.
