5755 EQUITY IN EDUCATIONAL PROGRAMS AND SERVICES

Equity In Pupil Access

It is the policy of the Board of Education to ensure equal and bias-free access to all school facilities, courses, programs, activities, and services, regardless of race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation gender identity or expression, socioeconomic status, or disability.

The school district administration will ensure: that all pupils will have equal and barrier-free access to all school and classroom facilities, that minority and female pupils are not under-represented in gifted and talented or accelerated/advanced courses and that minority and male pupils are not over-represented in detentions, suspensions, expulsions, dropouts, or special needs classifications. Support services will be available to all pupils and that all limited English-proficient pupils and pupils with disabilities will have equal and bias-free access to all school programs and activities. The school district will ensure equal and bias-free access for all pupils to computers, computer classes, vocational education classes, and technologically-advanced instructional assistance, regardless of race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation gender identity or expression, socioeconomic status, or disability.

The Board of Education will refrain from locating new facilities in areas that will contribute to imbalanced, isolated, or racially identifiable school enrollments. The school district administration will assign pupils to ensure that the racial/national origin composition of each school's enrollment reflects the composition of the district-wide enrollment and so that school and classroom enrollments are not identifiable on the basis of race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation gender identity or expression, socioeconomic status, or disability.

Pupils will not be separated or isolated by race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual gender identity or expression, socioeconomic status, or disability within schools, courses, classes, programs, or extracurricular activities. Bias-free multiple measures for determining the special needs of language-minority pupils and pupils with disabilities will be utilized. Pregnant pupils will be permitted to remain in the regular school program and activities and if not permitted to attend school by her doctor, the pupil will be provided equivalent instruction.
